Lasaderm Medical Aesthetic clinic as featured in TV's "ASK THE DR" Christian Jessen

LasaDerm Medical Aesthetic Clinic Awarded "whatclinic" Customer Service Award

Owned and operated by Doctors with over 25 year's experience, it's no wonder that LasaDerm have been presented this award. Only a small fraction of clinics across the UK made the high standards needed to win and it all stems from LasaDerm's philosophy to provide proven and effective treatment that produce results with the peace of mind that you are in the safest of hands.

Whether it's erasing wrinkles, rewinding the damaging effects of sun, banishing thread veins or finally putting an end to the embarrassing red flushing experienced by Rosacea suffers, LasaDerm offers a range of safe, modern, effective and most importantly affordable treatments tailored to each individual.

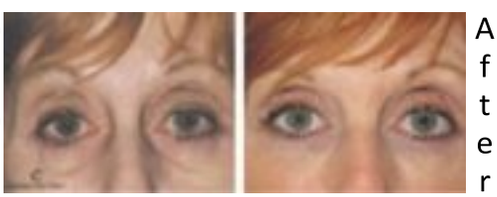
Heres a low down on some of the most popular treatments offered at LasaDerm.

WRINKLE SMOOTHING – when it comes to softening lines and wrinkles on the forehead, between the brows, crow's feet around the eyes, the popularity of Botox injections shows no signs of waning. Botox can also be used to reduce excessive sweating and more recently in the treatment of migraines.

DERMAL FILLER - If you're starting to get those pesky fine lines, wrinkles and that sunken hollow cheek look but aren't quite on board with the 'growing old gracefully' philosophy, then you might be looking into dermal fillers. If you are considering your options for a rejuvenated appearance then the complex world of dermal fillers can be a bit of a maze to navigate. Hyaluronic acid fillers are used to soften lines and wrinkles. Hyaluronic acid is a natural substance found in the skin, but the body produces less of it as we get older, which is why a top up can be useful.

As lines are filled, skin looks firmer and younger taking 10 years off easily andf the results can last upto 12 months. Its important that you go to a practitioner who has an eye for facial aesthetics. During the consultation the Doctor should be able to show you photos of before and after clients that "THEY" have actually done. The LasaDerm clinic uses a specialised method using a cannula to inject the filler which causes less bruising and delivers a more even outcome.

TEAR TROUGH (UNDER EYE FILLER) - Hyaluronic acid is placed under the eye carefully by a cannula between the bone and the muscle. These fillers hide dark circles and smooth contours so light bounces off the area to give a smoother less wrinkled and light appearance. You will wake up looking refreshed and less "haggard".



Treatments include:

- Wrinkle reducing injections
- Dermal fillers
- Facial pigmentation
- Rosacea and acne scarring
- Thread vein removal
- Laser hair removal
- Skin Peels
- Mole and skin tag removal

The lowdown on body reshaping and skin lifting

BODY RESHAPING - Thanks to the use of clever technologies such as 3D Non Surgical Lipo. You can now FREEZE, MELT and Liquefy fatty bulges, break up cellulite and tighten flabby skin without the incisions, pain or recovery time of a surgical liposuction. 3D Lipo utilises Cavitation (melting) and Cryolipolysis (freezing) to Zap Fat.

Before and After 4 Treatments

CAVITATION is designed to shift fat from podgy bellies, love handles, thighs, hips and arms. Many less sophisticated Lipo devices use lasers as the medium to remove fat but they are dependent on significant immediate exercise to achieve results. This for me always begs the question "Is it the procedure or the exercise that is producing the results? We know that exercise is an integral part of a healthy lifestyle but if you are fairly active and just not able to shift those pockets of stubborn fat then that is where these procedures should fit in!".

CRYOLIPOLYSIS or CRYO is designed to "freeze" the fat. A moulded cup is fitted over the stomach, love handles, back fat or bingo wings for example; heavy duty suction pulls the pudge inside the cup where it's chilled to -4 C. Some of the fat cells are destroyed and ultimately disposed off by the liver, a process that can take up to 3-4 months. "A minimum of 25% reduction in fat cells that fit inside the cup is achieved, "That's a very high level of efficacy. As clinicians we need to know that the treatments we offer are safe, effective, scientifically based and fit in with our holistic care for our clients. 3D Lipo has delivered that for us!

The cavitation is a favourite for Kate Middleton

Coleen Rooney is finally feeling herself again after & course of 3D lipo and is delighted with her new body.

Lasaderm was one of the first clinics to pioneer 3D Lipo. Since then Sir Alan Sugar's apprentice Dr Leah has started to offer this treatment.

Skin Tightening and lifting

Before and after RF Treatment

SKIN TIGHTENING AND LIFTING- it's not just wrinkles and uneven tone that make your skin look older. As the years go by your collagen and elastin fibres weaken and deplete, leading to slack skin. The newest weapon in LasaDerm's anti aging arsenal is Radio Frequency which is creating a buzz thanks to its ability to lift sagging cheeks, turkey necks, jowly chins, craggy eyes and even soften and smooth out stretch marks and loose skin on tummies, without the use of a scalpel. Radio Frequency uses tripolar electrodes to deliver the energy which heats the deeper dermis to 55-65 which stimulates fibroblast to produce collagen. This cumulative increase in collagen and elastin has numerous benefits which include firmer, smoother, tighter skin with smaller pores, fewer wrinkles and a softer, plumper texture.

HYDRAFACIAL – THE NEW HOLYWOOD TREATMENT THAT PUTS THE VAA VAA VOOM BACK INTO YOUR SKIN.

Having your skin cleansed and massaged for an hour is wonderfully restorative for your soul, and sure, your skin will look plump with product post treatment - but when it comes to getting real results for your money sometimes you need to take a different approach.

The latest facial to get the A list all excited is the HydraFacial The entire HydraFacial is performed using a vacuum based skin abrasion tip which is loaded with various serums, specially formulated to target and combat different skin complaints. And while having a probe massage your face doesn't feel quite as soothing as skilled facialist's hands, the results are remarkable. If you want squeaky clean pores that are HD ready then it doesn't get much better. The HydraFacial literally rids you of any grime and build up – your skin will be singing with delight. For most of us the only quibble would be that the initial fortnightly sessions is enough to blow your budget out the water, And that's why we've put the Hydrafacial on Offer at £99 for 3 treatments a saving of £156 (Hydrafacials can cost you anywhere from £100-£150 per treatment in London aesthetic clinics) but even if you only manage this treatment once every couple of months we promise your skin will thank you for it. If you like results and hate fluff then this is a perfect facial.

A list Photos – The Hydrafacial is a favourite amongst A Listers Kate Winslett, Beyonce and Eva Mendes.

'Inspirational' Dawn up for mother gong

THE mother of Henry Allen has been shortlisted in the Inspirational Mother Awards.

Dawn Allen, from Bletchley, was nominated for her work in helping brave son Henry, four, in his battle against neuroblastoma – which he sadly lost in October last year.

But she has carried on inspiring the city with her work in setting up The Henry Allen Trust, which is helping the families of children aged up to 18 after a cancer diagnosis.

She will attend a glitzy ceremony hosted by Gloria Hunniford at the May Fair Hotel on Saturday.

Dawn told MK NEWS: "I am blown away. I just want to make Henry proud, I miss him every day."

More than 900 people have signed our petition to get Henry Allen a pillar at MK Rose. You can sign it too by visiting our petition at www.mkweb.co.uk

One is proud: HRH Princess Royal with Emily Howarth

Royal approval for teen hero

A TEENAGER who helped save the life of an elderly gentleman at a football match has received the royal seal of approval for her actions.

Emily Howarth, 17, from Bradwell, was on first aid duty with the St John Ambulance when she helped rescue the fan, who had suffered a cardiac arrest at stadiummk during the Dons' match against Stevenage in September. As the first aiders set about providing life-saving treatment, Emily stayed calm by running to get equipment, talking to the gentleman's friends and gathering important information.

And she was honoured for her part in the rescue by being whisked away to meet St John Ambulance patron HRH The Princess Royal at Buckingham Palace last Wednesday – where she was one of 80 'young achievers' to meet Princess Anne.

Emily said: "I'm extremely honoured. There are so many deserving people who volunteer with St John Ambulance, I feel quite humbled. It's an experience I won't forget."

Roads going to pot – but paths are being fixed

BY JAMES AVERILL
james.averill@mk-news.co.uk

POTHOLES on footpaths and redways are being fixed – but repairs to our roads have been made to wait until next month.

There has been a growing number of complaints by residents and councillors about the worsening state of the city's roads and the dangers its potholes could be causing.

But a Milton Keynes Council spokesman has told MK NEWS that £10million of the allocated £50million towards fixing roads and pavements has already been spent. However, this was on repairs to footpaths and redways over the last few months, with work on roads set to start in April. And it has been helped further by the allocation of a Government grant for local authorities to spend on repair works.

The spokesman said: "We have been allocated £371,011, which will be used to fund dedicated gangs to repair potholes and make repairs to the worst affected roads in the area. This additional funding means that the council can now undertake repairs or resurface sections of roads in residential areas.

"This year they will be out fixing potholes from April over a six-week period. The 'pothole patrols' will target all reported potholes and any that they find during this period."

But Emily Darlington, Labour's parliamentary candidate for Milton Keynes North, said: "It shouldn't be a matter of footpaths against roads, both are equally as important and it has taken too long to get to this point for roads."

'Sickening': Video footage of experiments at MSD laboratory in Walton Manor has led to protest

Animal cruelty protest at MSD

BY JAMES AVERILL
james.averill@mk-news.co.uk

UP TO 100 campaigners will protest at a city laboratory at the centre of a Government probe into animal cruelty.

Members of the Anti-Vivisection Coalition (AVC) will demonstrate outside MSD in Walton Manor, which it says has been exposed for its shocking experiments on dogs and cats.

Undercover video footage from inside the laboratory shows puppies howling as they are slaughtered and kittens being dumped in bins after being killed.

The laboratory is home to the development of products in the animal health market, but AVC, which called the footage 'sickening', is calling on the Government to adopt a charter to abolish animal experiments – including an immediate ban on the use of cats and dogs.

Crime Prevention Minister Norman Baker, from the Home Office, said: "I expect the highest standards of welfare for animals used in research and take any allegations of mistreatment very seriously. I am advised the site had been subject to a number of unannounced visits in the last year and I have asked for further enquiries to be made into the precise conclusions of these inspections. We are working to reduce the use of animals in research."

An MSD spokesman said: "Animal wellbeing is core to our mission. We adhere to all regulatory standards of testing and development of vaccines and our standards for animal care meet or exceed applicable local, national and international laws and regulations.

"The UK government has set some of the highest global animal welfare standards and MSD strictly adheres to them."

The protest takes place at 1pm on Friday.

Taxi driver arrested

A 32-YEAR-OLD Wolverton man has been arrested on suspicion of punching a fellow taxi driver five times in the face in a row over fares. The alleged fight outside Milton Keynes Casino, Xscape, was between 4am and 4.30am on March 16. The man has been bailed until May 15. Anyone with information can call 101.

Van robbery warning

A DELIVERY depot manager is warning companies to track their vehicles to deter robbers. Action Express in Aspley Guise has had two vans taken in the last two weeks but both were found because of the tracking systems. For the interview see mkweb.co.uk.

'Brothel boss' bailed

A 28-YEAR-OLD woman was arrested on Thursday for assisting in the management of a brothel.

Eleven warrants were carried out by police across Thames Valley. The operation led to seven arrests and more than £300,000 being seized.

The woman was one of three arrested in the city.

A 32-year-old man from Shermans, Fullers Slade, was also arrested on suspicion of possession of class A drugs with intent to supply. He has been bailed until May 23.

A 28-year-old man was arrested on suspicion of possession of class A and B drugs, concealing criminal property and possession of a weapon in a public place. He and the woman were both arrested in Winwood Close, Deanshanger. The woman has been bailed until May 2 and the man until May 8.

Heroin charge for city teen

A 19-YEAR-OLD from Milton Keynes has appeared in court – after £1.2million worth of heroin was reportedly discovered by police in Scotland.

Nathan Onden Mushigo appeared in Dumfries Sheriff Court on Monday charged with the misuse of drugs.

Appearing alongside Nathan Cook and James Scott, both from Wycombe, the trio entered no pleas and were remanded in custody.

It has been reported that the police found the huge stash of heroin in a car on the M74 motorway in Dumfries and Galloway.

Budget backs Turing

I AM pleased the Chancellor, George Osborne, recognised Alan Turing, the codebreaker who did more than almost any other single person to win the war, in his budget speech last Wednesday.

Mr Turing, who is famous for his work at Bletchley Park, was persecuted for his sexuality by the country he helped save.

His brilliant academic career came to an end with his death in 1954, aged 41, two years after he was convicted of homosexual acts. In 2013, he was granted a royal pardon. Now the Government is providing £42million over five years to establish a Turing institute for data analysis and algorithm research, which is good news for the area.

The funding for the new institute will come from the Department for Business, Innovation and Skills.

Several universities are interested in hosting the new centre, but ideally it should be located in Bletchley Park.

By having this institute in Bletchley, we will attract scientists from all over the world and put the town on the international map.

Time to take a break

ME THINKS Councillor Andy Dransfield doth protest too much (*'More fines for term breaks', MK NEWS, March 12*).

Have I ever been on a term-time break? Yes – back in September, 1958 at 15. Did it do me any long-term educational harm? No, it most certainly didn't – that is if getting six Ordinary Level passes the following June in the General Certificate of Education is any indicator.

Why do parents take their kids on holidays in term-time? First, the cost of a family holiday goes through the roof come the end of July. Second, memories are still fresh about how air traffic controllers on the continent seemed to choose that very time for a 'work to rule', if not an outright strike.

Have the 'powers that be' been so shortsighted as to fail to see that it has, for many years, been possible for schools to upload work to a pupil's holiday destination. Likewise, the pupil can upload his/her answers back to the school. I know of one couple who took their two primary school daughters on a four-week holiday during term-time. The school wasn't happy, but the parents insisted on taking work for their children to do – and both still did well in the end!

What about parents who can't take time off from work in the school holidays – it's term-time or nothing?

Similarly, parents who home school their children are not bound by the official holidays.

Children won't lose out through taking holidays in either July (after their exams are over) or September (when the school year has just begun and there's plenty of time to catch up).

Barry Gowland
Penryn Avenue, Fishermead

Thank you Red Bull

REGARDING your story 'Red Bull Racing given the Freedom of Milton Keynes' (*MK NEWS, March 19 and MKWeb*).

Formula One is just about the most exciting and technically sophisticated thing that human beings do.

It's massive for the culture of Milton Keynes that Red Bull, the greatest team in Formula One, is based in the city.

It said thanks to local fans with the Home Run spectacular at the end of 2011, celebrating the championship wins. I suppose Thursday was us, through our representatives at the council, saying thank you back. A great evening with many warm and true words spoken.

Here's to eventual victory for Red Bull this year and another Home Run!

Prioritising is newt on

MILTON Keynes Council failed to send a representative to a recent meeting of Stony Stratford's Town Council and so deprived local residents of the opportunity to voice concerns over the most important development in the town since MK was founded.

Some 6,500 houses, district centres, schools and major infrastructure are planned for the Western Expansion Area (WEA). Existing roads and traffic flows will be affected. Inevitably, there will be disturbance to local people.

The developer, Gallagher Estates, described the current situation in some detail but the council couldn't confirm or qualify anything said.

MK Council's attitude is complacent and indifferent. It has a duty to tell local people what is going on.

By contrast other residents of the WEA have received an enormous amount of attention.

These are rare and protected great crested newts. They have been evicted and rehoused with generous welfare benefits and living conditions. The search for and relocation of these tiny creatures cost more than £1,250,000 and delayed new houses by a year or more.

As a result of this enormous effort only 135 newts were found. The expense, delay and priority given to this privileged minority is difficult to justify. What a waste of time and money when so many people are in need.

Fortunately, newts don't vote, but Stony citizens can voice their opinion at the forthcoming local election on May 22.

Philip Blowfield
UKIP candidate for Stony Stratford

We are streets ahead

CAN I congratulate the Conservative-controlled Milton Keynes Council on installing some much-needed traffic calming arrangements in Countess Way in response to requests from me (as ward councillor) and local residents.

This marks the first – but probably not the last – step in fixing the deeply unpopular and deeply problematic 'city street' concept inflicted on Milton Keynes by the previous (Lib-Dem) administration.

We – MK Conservatives – have already ensured that no more of these city streets will get planning permission.

We are negotiating with developers in the hope that where a city street has got planning permission but has not yet been built, the damage can be minimised. And where it has been built, or is being built, we are doing everything possible to rectify the problems that this design of street is causing.

Councillor John Bint
MK Conservatives

Jon Brett's City Life

His column written exclusively for MK NEWS

THE future of Central Milton Keynes is being discussed while you read this…and you probably didn't even know it.

The very fabric of Midsummer Boulevard will undoubtedly change in the future, but will we get monorails, trams or guided bus ways – and what would you prefer?

Or will the boulevard change for the worse and beyond all recognition.

And what about the market, Saxon Gate and has anyone talked about the future of the Food Hall?

Everyone now appears to be in agreement that The Point needs to go. But what will replace it and what will be the deciding factors surrounding the final decision?

Will it be purely commercially based (how many more Nando's, Café Rouge and Costas does Milton Keynes need?), or will community ideas be taken into account?

Yes, Central Milton Keynes needs improving. The current market is a little unwelcoming situated beneath a dual carriageway; The Point's falling into disrepair and CMK no longer has anything to really 'shout' about.

So let's hope the 'secret suits' deciding the future of our city centre let their imagination run wild instead of landing us with more chain restaurants.

Talking of global superchains, I notice Starbucks has opened its first 24-hour coffee drive-thru in Elder Gate. Not many people know this, but the KFC restaurant in Stacey Bushes was the first purpose-built drive-thru in the United Kingdom.

As 'firsts' go, this isn't particularly brilliant, but at least it was innovative at the time – and put Milton Keynes in the national news.

What do you think should happen to Midsummer Boulevard and are the right people making the right decisions? Submit comments at mkweb.co.uk/contribute or email letters@mk-news.co.uk.

CCTV may target school-run cars

BY JAMES AVERILL
james.averill@mk-news.co.uk

BAD parking parents beware – CCTV could be watching you during the school run.

Portable cameras could be deployed to 'hotspots' in the city and put on lampposts for a week at a time – if neighbourhood groups request them to be installed.

The images would then be handed to the groups, schools and PSCOs to help educate parents about the dangers of inconsiderate parking.

It comes after concerns were raised to a CCTV review group headed up by Milton Keynes councillors.

Neil Coolman, a neighbourhood support inspector for Thames Valley Police, said: "Mobile CCTV would offer evidence of poor behaviour that can be shown to those involved as part of a campaign to reduce problems."

MK NEWS has reported how parents in Two Mile Ash were parking in ambulance bays and bus stops to pick up and drop off children at school.

Milton Keynes Council has also enforced restricted waiting times and no parking zones on a number of roads next to schools in a bid to tackle the traffic chaos.

Cllr Paul Alexander, who sits on the CCTV review group, is frustrated with problems at The Portfields School in Newport Pagnell.

He said: "Parking has got really out of hand. I think CCTV would help, but it's not a cut and dry solution."

Portfields' headteacher, Mary St-Amour, said she wasn't 'comfortable' with the scheme but Two Mile Ash resident Simon Galbraith, whose twins attend Two Mile Ash School, said: "If we have to name and shame so be it."

Man charged over murders

A DUTCHMAN has appeared in court charged with the murder of two teenagers in Fishermead.

Brahim Hajji, 26, of Tilberg, Netherlands, was arrested in his home country on Thursday. He appeared in Reading Crown Court yesterday charged with gunning down Mohamed Abdi Farah, 19, and Amin Ahmed Ismail, 18, in May 2011.

He appeared via videolink with a Dutch interpreter as another preliminary hearing was organised for April 4.

Fuad Awale and Sharmake Abdulkadir have already been jailed for life for the murders.

MEP backs reducing speed

A CAMPAIGN to lower the speed on grid roads has won the support of our local MEP.

Keith Taylor will be visiting the city tomorrow to launch his report calling on the Government to invest in reliable local transport.

And he is supporting calls to lower speed limits to 50mph on grid roads and 20mph on estate roads.

Calls to lower speeds returned after Victoria Rhodes, 21, died after being hit on the V11 earlier this month.

Flooded site: The waterlogged Pineham track is causing problems for Milton Keynes BMX Club

Water woe may force club move

BY JAMES AVERILL
james.averill@mk-news.co.uk

A BMX club may have to leave its home in the city – as it believes the waterlogged track is holding it back.

Milton Keynes BMX Club currently leases its Pineham track from The Parks Trust.

But the club says the track is outdated and constantly under water.

Marc Devereux, the club's chairman, said: "The track is holding us back massively. We had to cancel an event on Saturday because of water.

"This is it, we need to start seeing some action otherwise the city could lose its BMX club." Mr Devereux believes investment in a new international track, which fits in with Milton Keynes Council's international sporting city plan, is needed.

He added the club, which has 200 members, would help contribute to the funding of a new track.

A spokesman for the council said: "We have identified the need for a new cycling centre and a regional BMX facility. These developments are based on the funding and land being available.

"Clearly we don't want to lose any sports clubs as we are trying to grow and develop the sporting offer and push Milton Keynes forwards as a sporting destination."

Briony Fox, head of community engagement at The Parks Trust, added: "We would be disappointed if the club moved on but it would be there for the public to use if it did.

"We have been looking at sites, the difficulty is it's not just the space it needs for a new track but the space it will need for parking and camping for the bigger events, which up to a thousand people can attend.

"Trying to find something that meets all those criteria, in parks next to lakes, is very difficult."

MKNEWS BRIEFS

Aldi meeting moved

TOMORROW'S public meeting with Aldi and Wolverton and Greenleys Town Council has been moved to Wyvern School. The meeting for the public to express their views is at 7pm.

Vote online for cash

MORE than 1,400 people have voted for who should win a £25,000 STEP grant from MK Community Foundation. The cash could go to Independent Cinema MK, Milton Keynes City Orchestra or YMCA. Vote online at www.mkweb.co.uk

City's store closures

STORE closures have fallen from 43 in 2012 to 36 in 2013, according to data compiled for PwC by The Local Data Company. Forty stores opened last year compared to 25 in 2012, bucking the national trend.

Chairman wants to hear health promises

THE chairman of a council committee is seeking 'cast iron guarantees' that health services won't be downgraded.

Milton Keynes Clinical Commissioning Group (CCG) is carrying out a review of healthcare services with its Bedfordshire counterparts.

But Councillor Nigel Long, chairman of the health and adult social care select committee, is concerned that A&E and maternity units have been downgraded in other areas – such as Lewisham – where reviews have been held.

A CCG spokesman said 'no decisions had been made'.

Memories of Hazard Alley

A CENTRE that teaches children about health and safety is asking people for memories of visiting it as part of its 20th anniversary celebrations.

Hazard Alley, based in Kiln Farm, puts youngsters in lifelike situations to teach them how to act safely and responsibly in their homes and out in the community.

It wants to hear how people have used things they have learnt at the centre to keep themselves or others safe.

Paralympic star in funding blow

Future star: Gabi Down says it will cost £20,000 to go to Rio after losing funding

BY JAMES AVERILL
james.averill@mk-news.co.uk

A PARALYMPIAN'S hopes of appearing at the 2016 games in Rio have taken a huge blow – after she lost £10,000 in vital funding.

Gabi Down, 15, from Bletchley, is a wheelchair fencer for Team GB, finishing eighth in the women's Team Epee at London 2012.

But the Oakgrove School student has seen her hopes of appearing at the games in Rio diminish after losing funding from the lottery funded UK Sports.

The organisation has said it will be focusing on sports that can 'credibly demonstrate' medal-winning potential.

The British Disabled Fencing Association (BDFA) had previously said in a statement that it would be "extremely difficult to continue to progress the talented athletes and further develop the performance programme without other sources of funding."

Gabi, who lives with her grandparents, is one of those who will suffer and she is urging anyone who can help her with funding to come forward.

She said: "If anyone could help it's so vital to have their support. I'm still at school so I can't go out and get a job.

"UK Sports fund the whole BDFA and I got £10,000 in funding for the past year and I have now lost that.

"It's going to cost about £20,000 to get to Rio in two years' time."

If you think you can help Gabi, please get in touch with her on 01908 644993.

Huge honour: Team principal Christian Horner, *centre*

Freedom of MK for F1's Red Bull

TILBROOK-based Red Bull Racing gave Milton Keynes Council a front wing of one of its cars after being awarded the Freedom of the Borough on Thursday.

Team principal Christian Horner said the team was 'hugely honoured'.

It marked a special day for the team, which was also given a lifetime achievement award at the Milton Keynes Business Achievement Awards.

Full steam ahead for new rail jobs

BY JAMES AVERILL
james.averill@mk-news.co.uk

ONE hundred new jobs are on offer at Wolverton Works – just months after its future was shrouded in doubt.

We can reveal that the new owner, Knorr-Bremse, is on the lookout for new staff.

In August last year, 118 people were 'brutally' made redundant at the works when former owner Railcare went into administration.

But the new jobs mean that the company will now have more workers than it did before the problems.

Nick Brailey, head of marketing and communications for Knorr-Bremse, said that former workers were signed up to an agency the organisation was using and that a number of ex-employees had already been hired.

He said: "We are looking for 26 qualified electricians, fitters, vehicle builders and paint spraying people.

"This is all ready for work that we have been awarded and are looking to build.

"Of course we hope to recruit more in the future. As we said at the beginning, we wanted the place to grow and to reach new heights in growth and production. We are committed to doing this."

A spokesman for rail union RMT 'welcomed' the news but said it 'would expect the company to prioritise those staff who have lost their jobs'.

MP Mark Lancaster added that the jobs were 'fantastic news', saying: "I'm pleased with what has been achieved since last August."

The difference is CRYSTAL CLEAR...

Damning report is 'no surprise'

BY JAMES AVERILL
james.averill@mk-news.co.uk

A REPORT that has found a mental health unit is failing all its essential standards has come as 'no surprise'.

A Care Quality Commission (CQC) report by inspectors found that the Campbell Centre, in Eaglestone, didn't meet any of the eight basic standards required.

But according to one concerned former service user of the centre, it was expected.

Liz Campbell, who is also a member of the West Bletchley Mental Health Service User Group, told MK NEWS: "The report comes as no surprise to our members who have been raising concerns about the dire state of mental health services in MK for some time.

"Managers have been slow to act on the concerns raised by service users."

Enforcement action has been taken by the CQC after it was found that the care and welfare of people who used the services, the assessment and monitoring of service provision and the safety and suitability of the premises were in 'serious breach'.

Concerns: Liz Campbell is worried about mental health services

Share your views on this: www.mkweb.co.uk

The inspection was conducted in November, eight months into an 18-month turnaround programme by the Central and North West London (CNWL) NHS Foundation Trust – which took over operations in April last year.

Claire Murdoch, CNWL chief executive, said: "We accept the CQC's judgements and apologise to patients and families who feel let down."

Universities to bid for Turing institute

BY JAMES AVERILL
james.averill@mk-news.co.uk

UNIVERSITIES could bid to become the home of a new research institute in honour of Bletchley Park hero Alan Turing.

Chancellor George Osborne announced in last Wednesday's budget that the Alan Turing Institute would be launched as part of a £222million five-year funding package.

Mr Turing, often labelled 'the father of modern computing', is credited with saving thousands of lives as part of the team that cracked the German's Enigma code at Bletchley Park, shortening the war by two years.

The institute in his honour would undertake research into the collection of huge amounts of data.

Mr Osborne told MPs during his budget speech: "We will found the Alan Turing Institute to ensure Britain leads the way again in the use of big data and algorithm research."

Universities have been invited to bid to become the home of the new institution and UCMK, a city campus forming part of the University of Bedfordshire, has already signalled its intent.

Hero: Codebreaker Alan Turing

Dr Paul Sant, associate dean of UCMK, said: "Milton Keynes would be the natural home for the Alan Turing Institute and UCMK is very much at the heart of this fast-growing city.

"We'd be delighted to take part in conversations around the proposal announced."

The Open University already has a building named in honour of Mr Turing at its Walton Hall base.

And while it stopped short of saying whether it would bid for the institute, it 'welcomed' the announcement.

Professor Tim Blackman, pro-vice chancellor, said: "We are continuing his legacy here by operating one of the highest-rated computing research groups in the UK and we are pleased to hear of investment in big data."

Mr Turing was convicted of gross indecency in 1952 – when homosexuality was illegal – before being given a full royal pardon in December.

THOUSANDS of people turned out on Sunday to raise money for children living in poverty.

People of all ages, some in fancy dress, took part in Sainsbury's Sport Relief Mile in CMK.

And they were not the only ones raising money for Sport Relief.

City schools and businesses took part in various challenges on Friday, including rock climbing and badminton with GB players.

Cloudy2Clear Windows – Service With A Smile!

It's been a crazy few months for Cloudy2Clear Windows. The company which specialises in repairing windows which are steamed up, broken or damaged by replacing the panes – not the frames has grown rapidly as homeowners take advantage of their services.

Managing Director Billy Harley feels that it's all about service. 'Our product is simple. If your double glazing is misted up we can replace the glass at a fraction of the cost of a new window, in any type of frame, and with a new 5 year guarantee. But it's not just about saving people money, although that obviously helps. Many tradespeople have struggled since last year and I honestly feel that during the good times a minority perhaps didn't focus on customer care as much as they should have done. We make sure we turn up when we say we will, do the job the customer requires and leave their house as clean as a whistle. I often get comments back from customers on how they really didn't expect that sort of service which, in a way, is very sad for the service industry as a whole.'

Cloudy2Clear service the Bedford, Milton Keynes & Leighton Buzzard areas and Billy is finding that his approach is a major factor in his success. 'The truth is that it's not just the personal satisfaction that I get from doing a good job but also it makes good business sense. I get a huge amount of business from friends and family of people I've done work for, which just goes to show how much a little bit of effort is appreciated.'

So, if your windows are steamed up, broken or damaged give Billy a call for a free quotation on **0800 61 21 118** and he'll be happy to help!

Yellow lined road: Parking in Downham Road, Woburn Sands, has been described as a 'nightmare'

Double line trouble

BY SCOTT KIRK
scott.kirk@mk-news.co.uk

PLANS to extend double yellow lines on a town street will not improve the parking situation, according to residents and councillors.

Plans are afoot to make double yellow lines 100 yards longer along Downham Road in Woburn Sands to help lorries turning into Tesco in Main Street.

They struggle at the moment due to cars being parked in the way.

But Steve Lightfoot, who lives in the street, believes that extending the lines will only make parking outside his house and the rest of the road worse as drivers already double park to go to the shops in the town.

"I don't think extending double yellow lines is going to help the parking situation at all," he said.

"Parking can be terrible here and now that people are double parking on the street, it makes it very tight for anything trying to drive down here."

Woburn Sands town councillor Jacky Jeffreys also said in a town council meeting that the double yellow lines would only work if wardens patrolled the street better.

"Most people would agree that double yellow lines are a good idea but they're no good if they're not enforced," she said.

"What assurances can the council give us that this is going to be enforced frequently and consistently?"

Woburn Sands town councillor and Milton Keynes economic development and enterprise portfolio holder, David Hopkins, said: "We could do with more public car parking in Woburn Sands."

Conservatory too cold in the winter and far too hot in the summer?

We can offer you four ways to make sure you get more from your conservatory and gain year-round use whatever the weather, with one of our expertly installed conversions.

Each conversion is fully guaranteed, with minimal disruption. You'll soon be enjoying your conservatory to the full.

'No fears' over shop for elderly

BY JAMES AVERILL
james.averill@mk-news.co.uk

ELDERLY residents have been assured that they will not lose their convenience store at a retirement village in the city.

Concerns had been raised by Lovat Fields residents that if a convenience store in Willen Local Centre – that also supplies their shop – was replaced by a larger supermarket then it could lead to the closure of both stores.

But the Mistry family, who run the Willen shop, have told MK NEWS that they will 'not let Lovat Fields customers down', even if they have to leave the local centre.

Several Lovat Fields residents attended a Milton Keynes Council planning meeting on Thursday, where the plans to redevelop the Willen centre were given the green light.

One resident, Renee Timlin, said: "A lot of residents can't walk well to Willen centre so we can't afford to lose this service."

But Harry Mistry told MK NEWS: "We are committed to the extra care village and residents have nothing to fear. We have been in Willen for 28 years and we would like to stay here."

But Duncan Mason, of developers Newcrest Willen, said: "The centre needs a major supermarket to act as an anchor and in all likelihood it won't be the Mistrys operating it."

Wheel good: Olivia Black, on the funded trike, with brother Owen

Trike helps alter little Olivia's life

SIX city rotary clubs have helped change the life of a five-year-old girl with a rare genetic condition.

Olivia Black, from Grange Farm, suffers from CDKL5, which results in seizures and developmental delays. The rotary clubs joined forces with national disability charity, Action For Kids, to fund a special trike for Olivia costing £1,691. Her mother Amanda said: "The most I have heard Olivia laugh is when she is outside with her brother Owen."

Ronan's on track to set a personal best

BY JESSICA DUNCAN
jessica.duncan@mk-news.co.uk

A FATHER-OF-THREE will be taking on the NSPCC Milton Keynes Half Marathon to set an example to his children.

Network Rail analyst Ronan Meyler will be running the 13.1-mile run around the city on Sunday, July 6 to help raise cash for the charity's ChildLine Schools Service.

The 43-year-old from Bancroft said: "I wanted to take part, both as a challenge for myself to reach a new personal best, and to raise money for the NSPCC.

"As a father it's a charity close to my heart and I hope that every £1 raised adds a small per cent of health and happiness to a child's life."

It is the 16th year the run has been held and the NSPCC hopes to collect at least £50,000 to take the overall total to £550,000. Sally Phipps, community fundraising manager, said: "We wouldn't be able to continue our work without the support of people such as Ronan."

Visit www.nspcc.org.uk/miltonkeyneshalfmarathon to enter.

Chance to go back to the roaring 40s

MK NEWS reporter Jessica Duncan travelled back in time when she received a makeover at a new 1940s Boutique at Bletchley Park

Transformed: Jessica Duncan

I WAS lucky to be chosen as the first model for Bletchley Park's 1940s Boutique.

At first I was really excited – but that turned to fear when I realised what I had let myself in for. More than 30 people had booked themselves into the day boutique with Sarah Dunn – and all eyes were on me.

The vintage stylist, who runs Sarah's Doo-Wop Dos, used me to show those taking part how to create the iconic 1940s look.

In two workshops throughout the day – one on hair and another on makeup – Sarah showed everyone how to pin their locks into victory rolls, as well as tricks of the era such as the red lipstick that helped define the decade.

One aspect I thought was brilliant was how Sarah explained the history of 1940s fashion and the tricks women used to maintain their glamorous looks even though there were rations on items like tights and lipstick during the war.

She said: "The 1940s look was born out of not having very much and women were able to do so much with so little.

"It's about trying things out and I'm here to give one-to-one advice. People will be able to go home and wear it in a million different ways.

"You should feel like you can take on the world."

Between the workshops, and after some tea and sandwiches, we had our own tour of Bletchley Park, learning more about the women and their roles at the famous codebreaking centre during the war.

Taken round by tour guide Philomena Liggins, who always dresses in character, it was fascinating and helped the group imagine the lives of the women and the secrecy surrounding their jobs.

After the workshops everyone got the chance to try out

SHOULD YOU TAKE THE MAXIMUM TAX FREE CASH LUMP SUM FROM YOUR PENSION OR NOT?

A new client of ours who works for the NHS and is approaching retirement recently asked me should she take the maximum pension and tax free cash lump sum from her NHS pension or take the maximum tax free cash lump sum and a reduced pension.

She has the choice of taking a pension of £16,457 a year and a tax free cash lump sum of £35,292 or a reduced pension of £12,470 a year and an increased tax free cash lump sum of £83,136. She currently has death in service benefit of £83,150. The widower's pension is the same under either option i.e. £7,154 per annum.

We then did the number crunching and it didn't take too long to work out that it made more sense to take the maximum tax free cash and the reduced pension for the following reasons.

The lump sum is tax free whereas the pension is taxed at her highest rate of Income Tax which will be 20% but could be as high as 45% for higher earners.

We do not know her life expectancy but it will take her 15 years for her net of tax pension to break even with the extra tax free cash lump sum of £48,000!

Author of Wealth Magic

She can invest the money for income and capital growth. Whatsmore it can be 100% tax free or tax deferred.

She will continue to have access to the capital for the rest of her life.

When she dies her pension reduces to £7,154 and will be paid to her husband as long as he survives her. Once he dies the pension dies with them both. The investment on the other hand survives them both and can be passed on to their children which is what they want.

All in all they will be significantly better off by taking the tax free cash lump sum especially since I am sure they won't be tempted to blow it all on a flashy sports car instead!

CLASSIFIED

Happy to be in the limelight: Manager Paula Noble outside The Cowper and Newton Museum in Olney. It is named after John Newton and his friend, writer and poet William Cowper. They both wrote famous hymns that are still sung today

The One Show comes to town

BY JESSICA DUNCAN
jessica.duncan@mk-news.co.uk

THE fascinating life of one of our residents will be featured on the BBC's The One Show.

People can be a part of the filming at St Peter and St Paul's Church in Olney from 2.15pm today when Gyles Brandreth will be interviewing ex-prisoner and former cabinet minister, Jonathan Aitken, about the life of The Rev John Newton.

Paula Noble, who is the manager of the town's Cowper and Newton Museum, which showcases The Rev Newton's life and his time as the parish priest, has helped the BBC organise the visit.

She said: "The producers want a small audience for their gospel choir, which will be singing John Newton's hymn Amazing Grace."

The Rev Newton wrote the famous hymn in The Old Vicarage in Church Street and as part of The One Show's current series celebrating Green and Pleasant Land, it will look into the history of the piece and the life of The Rev Newton.

Mrs Noble added: "We have collected John Newton's notebooks from Aylesbury to be on show in the museum which already exhibits information about his life."

The One Show hopes to air the episode in May, but a date is still to be confirmed.

Palette knife to artist's palette

BY JESSICA DUNCAN
jessica.duncan@mk-news.co.uk

AN EXPERIENCED chef has swapped his pastry brush for an art brush, spurred on by his time confined to a kitchen with no natural light.

Dan Wellington, from Woburn Sands, has been a qualified chef for 19 years, working in various pubs and restaurants.

But he has now given up his job and will be holding his first art exhibition later this year.

He found inspiration for his paintings from the natural light and its affect on its surroundings while he was working in Suffolk, in particular on water – from a canal to a seascape.

The 37-year-old said: "I am totally self-taught, from starting out a couple of years ago by messing about on an iPad app then going on to the real thing.

"Being confined to a small kitchen for years with no natural light may well have influenced my desire to paint

Passion for painting: Dan Wellington gets ready for his exhibition

open natural landscapes, but I have always been a big fan of the works of artists Turner and Constable."

Dan's friends and family have been behind him since he stepped down as head chef of Longs Inn in Woburn to pursue his passion.

He added: "My family and friends are very supportive of my art and seem to genuinely like it. Some of my paintings hang in their homes so I take that as a good sign."

Dan's new career has also been encouraged by Artists Info – a global online directory, which has helped him organise his first exhibition at a St Albans gallery in June this year.

Dan added: "It's a very exciting development in hopefully a new direction for me."

Aiming high for Harry's Rainbow

Fine voice: Soloist Lydia Singer was joined by choirs to perform song One More Angel

BY JAMES AVERILL
james.averill@mk-news.co.uk

A MUSIC single will help raise money for a charity offering support to children coping with bereavement.

Harry's Rainbow was set up by the parents of five-year-old Harry Mould, from Greenleys, who died in March 2009 after suffering brain stem damage having initially been told by doctors he had a virus.

Lee and Odette Mould decided to set up the charity after discovering there wasn't a local service offering help to bereaved children. It currently helps more than 30 families in the Milton Keynes area.

And now, in a bid to raise awareness and money for the charity, singer-songwriter Teresa Diamond has written a charity single called One More Angel.

Lydia Singer, 12, performs lead vocals, backed by a choir from Spirit and others from a number of city schools.

Also lending their voices to the track are up-and-coming local girl band Union and Harry's twin sister Jessica.

Teresa said: "We run Spirit at the United Reformed Church in Newport Pagnell, it's a non-profit organisation sponsored by Marshall.

"We try and help out two charities a year by releasing a song to give them a boost."

Odette said: "It's a fantastic song. It made me very tearful and it's wonderful a song has been written in memory of my son."

One More Angel will be released on March 31, following a launch at Wolverton House, and will be a available on iTunes for 79p. A prerelease performance took place on Monday at Midsummer Place.

Listen to a clip of the single on our website: www.mkweb.co.uk

Potholes, a plague on our roads

BY DAN RAWSON

Have you hit a pothole recently? It is very likely as it is believed that there are in excess of 2 million of them on UK Roads.

It is estimated that potholes cause as many as 1 in 5 mechanical failures, costing the UK motorists a whopping £320 million every year.

The most common issue arising from pothole damage is buckled wheels, you don't even have to hit a hole that hard for it to bend your wheel out of shape. A buckled wheel can cause a number of problems to your day to day driving such as pulling the car to one side, tyre deflation and in some cases it can actually be a danger possibly causing a tyre to come off the rim.

Not everybody however, is aware that a buckled wheel can be fixed. Using a combination of techniques and processes including heat and high pressure electro-mechanics, a bent wheel can be straightened again. Even after the wheel has been straightened you may still experience poor handling as hitting one of these road craters can also affect your cars alignment

It would take 11 years to repair all the potholes if local authorities started today.

The problem of potholes is here to stay! At current maintenance levels, the average frequency for a road to be resurfaced in England is once every 65 years and even if all authorities were given the budgets they need to fix their roads, it would take English authorities 11 years to catch up with the current backlog.

Virtual school needs a head

A HEADTEACHER is needed to run a 'virtual school' to help children in care.

Milton Keynes Council is advertising the post at the school, which offers educational support, after school activities and extra help for the children's carers. It also organises educational trips and visits.

The school has about 230 pupils ranging from reception to Year 13 who go to schools across the city but also benefit from virtual support.

Jane Bellamy, the current headteacher of The Virtual School in Milton Keynes, said: "The Virtual School exists to monitor and support the academic progress of children and young people in care.

"We seek to support students both in school and through extra-curricular activities."

Virtual schools are run by councils across the UK. Staff liaise with their student's schools and foster carers to ensure they are getting the best out of their time in education.

Pupils help tidy up estate's image

BY SCOTT KIRK
scott.kirk@mk-news.co.uk

A SCHOOL is hoping its work in the community will help highlight the good things that are happening on a city estate.

Pupils from Langland Primary School in Netherfield have been reporting fly-tipping on redways in the area to Milton Keynes Council and taking part in community schemes, including a recycling project.

"There are so many positive things that are happening and that people are doing," said Julie Webb, Netherfield community mobiliser at Community Action: MK.

"There is so much enthusiasm from pupils to get involved in their community and it's fantastic that they've been doing something for the environment."

Star Ward, 10, is one of the students working on the school's environmental projects. She said: "It's easy for kids to pick up a piece of glass and cut themselves and if older people are drawing on walls then younger ones will think they can do it as well, so it's important for us to tidy up after ourselves."

Going green: The environment group has looked into how areas around Langland Primary School can be improved

The school's breakfast club is also helping to boost community spirit, with up to 100 pupils attending on some days, and an allotment bed is helping children to grow their own vegetables and plants.

The school's parent teacher association (PTA) has raised more than £1,000 this year and plans to double that by July.

And two trim trails are about to be installed at the school thanks to a successful £10,000 Big Lottery bid.

Pete Lindsay, extended services co-ordinator at the school, said: "Netherfield does have its challenges but there is so much good work going on here and it's important that the rest of Milton Keynes knows that.

"A lot of the teachers have also really engaged with our extra-curricular activities and it has been great to see so many people involved."

Headteacher Kate Stuart added: "We have always worked hard to develop the children's self-reliance and engage with the community, so we have some very exciting times ahead."

Children - From 4 years to teenage. We have a wide range of ponies of all sizes and abilities. A great sport to keep fit, build confidence and make new friends.

Birthday Parties - Party with a pony. 2 hours of fun, games and riding with a traditional tea. Jolly Jockeys for ages 4-10 years.

Adult Returners - Not ridden in years? We have many adults refreshing their skills and rebuilding their confidence. You know you loved it, come and have fun again. Individual and group lessons available. Understanding instructors and a wide range of horses.

Adult Beginners - It's never too late! We have learners who are 60 years young. Try something new, get fit and have fun.

Experienced - Used to ride a lot or own a horse in the past? We have a number of excellent dressage and jump horses with instructors to match.

MKEDUCATIONBRIEFS

Headteacher to leave

A HEADTEACHER will be leaving a city primary school after 15 years in charge. Jane Bellamy has been the headteacher at Bow Brickhill CofE primary school since 1999. She is retiring in July as her son, who lives in China, is expecting a baby. But Mrs Bellamy hopes to continue to be involved in education part-time when she returns.

Students in the dock

DENBIGH School in Shenley Church End was the winner of a Milton Keynes Magistrates' Court Mock Trial Competition. Six schools took part in the mock court case, playing different roles, including witnesses and lawyers, to learn more about the criminal justice system.

Hitting the right notes

STUDENTS at The Webber Independent School, in Stantonbury, performed at The Bedford Festival earlier this month. The Webber Piano Trio won the Richard Allen trophy for their performance and the Pre-prep Choir came third in the singing section.

A European art attack

CHRIST the Sower Ecumenical Primary School, in Grange Farm, has been sharing student's work with five European schools. As part of the EU funded Comenius program, they joined forces with schools in Belgium, Germany, Slovenia, Sweden and Holland.

A different school report

STUDENTS will be transported from the classroom to the newsroom when they take part in the BBC's School Report day.

Year 9 students at Shenley Brook End School will be working as journalists in the fields of news, weather and sport, while a number will be involved in investigative reporting. Students will be working from 8am-2pm tomorrow and will have to meet deadline in order to create a short broadcast news bulletin and print copy.

The school's headteacher Glen Martin said: "Teachers of English and media studies, alongside some sixth form volunteers, will be guiding the students, but ultimately they are responsible for producing the content."

Queen's well done to retiring TA

Bye: Pupils say farewell to teaching assistant Christine Feasey

A TEACHING assistant who has retired after 35 years has received a special letter from Her Majesty The Queen recognising her hard work.

Christine Feasey first became involved with Stoke Goldington CE First School when her own children started attending there.

Since then she has held positions as a governor, lunch time supervisor and more recently a teaching assistant with the early years foundation pupils.

And as well as receiving leaving gifts of a mobile phone and laptop, the Queen sent a personal message to Mrs Feasey congratulating her on her work.

Students waved goodbye to the popular TA in a special assembly last month.

HOME & GARDEN

SPRING-CLEANING can be fun! So roll up those sleeves, pull on the marigolds and get stuck in. Even for the professionally non-house-proud, there is something tantalising about sprucing up our homes and clearing out the clutter. But what if you want to do more than wash the net curtains and dust behind the sideboard?

Since time began, the arrival of spring & summer has prompted us to wake up, shape up and scrub up our homes and gardens nicely so that we can sit back and enjoy them for the rest of the year. Back in December when snow brought the country to a halt and the days never really got light at all who could have imagined sitting outside on a summer's evening until the last streaks of red have faded from the sky? As the days get longer and the nights get warmer make the magical most of the outside space that you have.

With a little thought and creativity it's not too hard or costly to move seamlessly from winter into spring and spring into summer. Here at MK News we've got some handy hints to help you style your home and gardens

Make the most of your home compost bin

Come to our free workshop for tips and advice

Do you have a home compost bin and don't know how to use it or perhaps you're composting and not getting the results you expected? Or if you'd simply like to find out more about home composting, come along to our free home composting workshop at the Hanson Centre on Saturday 5th April to get the best advice from our composting expert.

If there are any particular issues you want covered, please let us know. The workshop starts at 10am and will finish around 11.30am. There will also be some fun activities for children.

To reserve your place or for more information email: **yourwaste@milton-keynes.gov.uk** with your contact details or call 01908 252570.

Here in Milton Keynes, our weekly food and garden waste scheme provides a quick and easy way to get rid of organic waste - but by buying a home compost bin you can become a greener gardener and help your own garden to thrive.

If you would like to buy a home compost bin, now is the best time to do it as prices will increase in April. Milton Keynes Council has teamed up with compost bin provider Evergreener who sells the bins on the council's behalf – see the advertisement below for details. You can access their web page via the council website **www.milton-keynes.gov.uk/compost** or go to **www.getcomposting.com**

Free Home Composting Workshop
Where: Hanson Centre, Wolverton Road, Great Linford MK14 5AH

Chase-ing down funds at Mayor's Comedy Dinner

THE Chase star Paul Sinha will be headlining the Mayor's Charity Dinner next week.

The 'Chaser' Sinha has performed in comedy clubs in China, Singapore, the Middle East, South Africa, the Netherlands and Germany, as well as the Edinburgh Fringe Festival.

He has also had his own Radio Four series and is 11th in the UK Quiz rankings.

There will also be performances from Olaf Falafel, Paul David Collins and illusionist Matt the Magic Man, with Chris Mayo on compere duties.

The event, in the Clydesdale Bank Ballroom at the DoubleTree Hilton, stadiummk, will raise money for Ted's Charity, which is being supported by Milton Keynes mayor Brian White during his year in office.

The good cause aims to increase funds and awareness for Shwachman Diamond Syndrome – an inherited condition that affects many parts of the body, including the bone marrow, pancreas and skeletal system.

Tickets, including a three-course meal, cost £45 and can be bought by calling 01908 622886, or emailing stefanie.duffy@mkdonsset.com.

The evening on Friday, April 4 starts at 7.30pm and will finish at 11.30pm.

byronburger

MY BOYFRIEND and I enjoyed some big beefy burgers at the new Byron restaurant in thecentre:mk.

It specialises in hamburgers that are cooked medium rare (the way it says they should be) to lock in the flavour, but they can be more well done if you prefer.

I went for the Bryon burger with the house sauce, which was nice and juicy and not too big for those who like to eat with their hands. My boyfriend had the six-week alternating special, which this month was the B-REX, which included extra meat, onion rings, jalapeños and barbecue sauce.

Those wanting to try something different can create their own burger with different toppings.

The burgers don't come with sides so you have to buy those separately, but we ordered the handcut chips and onion rings to share, which was the best way to try the different dishes on offer.

The menu also features some really nice desserts. I fell in love with the white chocolate cheesecake, while my boyfriend enjoyed what he said was the 'best brownie' he'd had.

The restaurant was not busy for a Saturday night – however I think this it is a great place to stop and refuel with friends or family when you are out enjoying a day shopping. It's also a nice place to relax in the evening and enjoy some good food that's not too pricey.

HOW will you show mum just how much she means to you this Mother's Day?

With gift ideas becoming more and more unimaginative and dull; including the last minute flowers, chocolates and perfume, why not open up the options this year, break with tradition and send mum soaring with a surprise visit to Airkix Indoor Skydiving.

The UK's first purpose-built wind tunnel, in Xscape, provides an exhilarating indoor skydiving experience, which gives flyers the chance to get their adrenaline pumping by freefalling at 110mph within a safe environment.

Imagine a wind tunnel that could be used for testing the aerodynamics of an F1 racing car, turn it upright, gently lean into the airflow and you are skydiving.

Anyone aged four to 104 can experience the adrenaline-charged feeling of indoor sky diving so it's the perfect activity for the whole family.

Why not give mum a memorable experience this Mother's Day – the gift of flight.

All you need to do is answer the question below to be in with the chance of winning one of THREE free skydiving experiences and DVD (worth £63.00) for the best mum ever!

WIN a skydiving experience and dvd for mum

How fast will mum be free-falling while in the wind tunnel at Airkix Indoor Skydiving?

IN REAL life, murder is the most terrible of crimes.

In fiction, says MK LIFE'S JUDY RILEY, it's the one that millions of us find most entertaining.

Peter James knows that, which is why he is one of the world's great crime writers. His novella, The Perfect Murder, spent 15 weeks at number one in the book charts. Now it has been adapted for the stage and is coming to Milton Keynes Theatre from Monday.

Starring as Victor Smiley, a man desperate to be rid of his wife of 20 years, is Les Dennis. His wife, Joan, played by Claire Goose, is equally desperate to be rid of him.

Les' first love has always been acting and after his very public melt-down on Celebrity Big Brother following the break down of his marriage to Amanda Holden, acting opportunities came his way that allowed him to show off his skills.

He now describes himself on his passport as an actor, rather than an entertainer but does any of the old mischief creep into his performances on stage?

"Well, even though the play is about murder it's darkly comic and there is one scene at the end of act one when someone ends up wrapped in bin liners," he said.

Is there such a thing as the perfect murder?

"Peter James was having dinner with the Chief Constable of Sussex and he asked him that very question.

"The Chief Constable replied 'absolutely – those are the ones we never hear about'."

So Les, if you could commit the perfect murder, would you? And who would you bump off?

"I like to think that it isn't in me to commit murder – and anyway, after two failed marriages I think I've discovered easier ways to deal with a problem."

IT'S now officially spring and that means it's time for The Parks Trust's sheep and cattle to return to grazing. Natalie Dewhirst, community ranger for the trust, tells us more

IT'S great to see the sheep and cattle back – they're a well-loved feature of the parks that brings adults and children closer to the countryside.

Grazing areas are located in the Ouse and Ouzel Valley linear parks, at Wolverton, Shenley Church End, Passenham and Haversham.

The rangers have also been out putting up temporary signs to let people know about the livestock's imminent return.

Our sheep and cattle are a vital conservation tool, helping to manage large areas of grassland in order to create a much richer diversity of wildlife.

Their grazing helps deter weeds and scrub and encourages the growth of wildflower rich meadows.

This means they are good for biodiversity and can also reach the parts that more conventional mowing machinery would find difficult to get to or would have to cut repeatedly.

We hope you'll enjoy seeing them in the parks and it would be great if visitors could take extra special care.

Cyclists are advised to slow down and walkers should keep dogs on leads or under control.

treasuretrove

THERE are only a few days left to enjoy the Treasures in MK exhibition.

The display at MK Gallery, which contains 200 historical and modern artworks and objects borrowed from 60 collections, closes on Sunday.

They include old masters Dürer, Hogarth and Millais and modern masters Matisse, Picasso and Warhol. Iconic classics like an Aston Martin DB4 are also on display.

The free exhibition has brought together an eclectic array of objects and focuses on the stories behind the works of people such as George Romney.

speeddemon

BASED on a popular video game franchise and starring Braking Bad's very own Hollywood star Aaron Paul, you would think Need for Speed could rustle up a great speed thriller.

Unfortunately director Scott Waugh crams car film clichés down our throats at every opportunity making for awkward acting.

Aaron Paul stars as Tobey Marshall who is framed for murder. With the help of a beefed up Ford Mustang and an annoying blonde sidekick he races across the country for revenge and redemption.

For those who love fast cars racing against winding backdrops Need for Speed will not disappoint. But it's a slow starter with haphazard voice overs and a lame script that means you won't know what's happening until about 30 minutes in. Don't expect too much from Aaron Paul either whose performance is disappointing.

This is purely for adrenaline junkies and just a Fast and Furious wannabe.

tastytreats

ARTISANS Food Festival returns to the URC Church Hall in Newport Pagnell on Saturday.

From 10am-3pm the family can enjoy the free event, which will feature local producers of honey, cheeses, pies, cider and much more.

nightsin

THE second series of Revolution is back on Sky One, although I'm still trying to get through series one, writes Scott Kirk.

Billy Burke, who you may know as Bella's father from the Twilight series, is the main man in the series and he is a brilliant actor.

He is terrifying in the second series of 24, which is one of my favourite TV shows of all time, so he's one of those actors I like to follow, and his portrayal in Revolution as a man who has to wrestle with his demons is excellent.

The story is about a world without power, where people have to live off the land because all the electricity has turned off, and while some are trying to turn the lights back on, others are more bothered about gaining a different type of power.

The action sequences are superb and Tracy Spiridakos as the main female lead is very sweet in the role of a girl wanting to get her brother back from the tyrant Monroe.

Lost fans will also recognise Elizabeth Mitchell in the series.

motherlylove

IF YOU are wondering what you can do to make this Mother's Day weekend special, take a look at our selection of events.

On Saturday children can create a personalised Mother's Day card and flower pot with horticultural experts at Frosts Garden Centre in Woburn Sands.

Tickets to the event, from 10am-4pm, cost £7.99 per child from www.frostsgardencentres.co.uk.

Mother's Day cards can also be created at the Stani Studios in Stony Stratford on Saturday.

The workshop, from 10am-12.30pm, will include everything you need to make three different cards. Tickets cost £15 per person and can be bought at www.art-and-craft-workshops-milton-keynes.co.uk

Field Gate Flowers, in Lathbury, will be holding two flower arranging workshops on Friday. The sessions are at 10am or 7pm and cost £40. Contact Roz Chandler on 07793 565001.

spring concert

MILTON Keynes Chorale's spring concert will take place at the Church of Christ the Cornerstone on Saturday at 8pm.

The chorale and soloists Catherine and Neil Griffiths will be singing Rachmaninov Vespers in Russian. The chorale's new musical director, Oliver Neal Parker, will be conducting. Tickets are £14, or £2 for full-time students and children. Call 01908 617697 to book, or buy on the door.

king's speech

ANOTHER month and another guest shares their top five films they would have with them on a desert island.

This month's guest is a friend of The Chrysalis Theatre Mary Cooper, who organises trips to the venue from Lovet Fields retirement village. One of her top five choices being shown will be The King's Speech.

Tickets are free for the film night tomorrow from 7pm-9.30pm.

nearly new

A NEARLY new sale will be held in aid of the National Childbirth Trust (NCT) on Saturday.

Grab some bargains, including newborn baby equipment, toys and clothes for children up to the age of 10. The spring sale, at the Ridgeway Centre, Wolverton Mill, from 1pm-2.30pm, also includes a free baby show. The £1.50 entrance fee will go towards running MK's NCT.

city opera

JOIN the Wolverton Gilbert and Sullivan Society for its latest production, Patience, at Stantonbury Theatre.

This comic opera, directed by Graham Breeze, is full of laughter and wonderful music, making it a show for the whole family.

Tickets for the show, from Tuesday until Saturday at 7.30pm, cost from £13-£15 from First Night on 01908 262250, or www.1stnight.co.uk/boxoffice.php

lee hurst

IN HIS NEW stand up show, comedian Lee Hurst is back on the road to ask audiences what winds them up.

The former They Think It's All Over panellist loves a good moan, but unlike others he has some rather different solutions to all the problems he raises.

Lee is playing at The Stables at 8pm on Wednesday, April 2. Tickets cost £17 from 01908 280800.

Great Linford

ONE of Milton Keynes' more desirable and sought-after locations, Great Linford is situated on the Grand Union Canal north-west of the city and boasts some of the areas more mature and delightful scenery. It is also close to junction 14 of the M1 for would-be commuters.

Internally the property is in good condition and has had a recently refurbished kitchen.

It is an ideal purchase for buyers looking to create their own identity on a property.

Situated to the rear of a cul-de-sac and offering a driveway and extensive off-road parking, the house features a mature rear garden, which is one of the major factors of this delightful home.

An open day will take place on Saturday from noon.

To book an appointment to see the property, on the market for £284,950, call Rhyen Jordan on 01908 303664, or email us on info@rhyenjordan.co.uk

If it's time for a new challenge in your career, come to Central Bedfordshire and join the highly regarded Community Adult Learning Disability Team.

We are a progressive and dynamic integrated team of Registered Social Workers, Community Learning Disability Nurses and Team Administrators working to provide a quality service to adults who have a learning disability. We are committed to the principles of Valuing People and to promoting independence, citizenship, and inclusion and improving peoples' lives through choice and control.

We value our staff as individuals and welcome initiative and fresh thinking, whether you're newly qualified or experienced. With the relevant qualifications and experience in Social Work or Nursing we will support you to achieve a high level of professional practice through working with other committed professionals, regular supervision, and learning and development opportunities.

Confident in working in a multidisciplinary, multi-agency team, you will have the ability to liaise and negotiate effectively with members of the public and other agencies to promote the needs of and safeguard people with learning disabilities. You will be skilled in assessment, report writing, and problem solving, with strengths in your quality of recording and IT skills.

In response to the developments within our services, we have the above range of opportunities available.

RELIGIOUS STUDIES TEACHER
Full Time

Required September, 2014

A Religious Studies Teacher is required for September, 2014; applications from NQTs are welcome. The successful candidate will be well qualified, keen and enthusiastic and will join a team of dedicated teachers.

Please telephone Lou Ellis (Principal's P.A.) at the school for further details and an application form; this information is also on our website www.redborne.com

A laptop computer will be loaned to the successful candidate. The successful applicant will be required to undertake a Disclosure and Barring check.

All offers of employment are "conditional" until Disclosure and Barring and qualification checks have been successfully completed and satisfactory references have been received.

Redborne is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

Closing Date: Tuesday 22nd April, 2014

Redborne is a successful school that achieves excellent examination results, with 97% of students gaining 5A* - C grades at GCSE (typically over 70% including Maths and English). 'A' Level results are also very good with 61% of passes at 'A*', 'A' or 'B' grades and an overall pass rate of 99%. About 80% of the Sixth Form go on to university and this year eight students have had Oxbridge offers.
The school is well regarded and popular, situated in a very pleasant area of Central Bedfordshire, within easy reach of London. The school's most recent OFSTED report was excellent and we were graded as "outstanding". Redborne is also a National College Leadership Development School and a Leading Edge School.

- Is an outstanding, inclusive teacher who keeps our children at the heart of everything.
- Is enthusiastic, passionate, innovative and hard working in ensuring that all pupils strive for and achieve personal and academic excellence.
- Has consistently high expectations of themselves and colleagues.
- Has the ability to model, lead, support and inspire outstanding teaching and learning across the curriculum.
- Has a thorough understanding of how data is used for school improvement.
- Has excellent organisational, interpersonal and communication skills.
- Can work effectively with the Headteacher and Leadership Team to achieve excellence.
- Has experience of developing a whole school initiative.
- Is able to support & develop existing links between the school, governors, parents, and the wider community.
- Is able to teach across at least two Key Stages.

We can offer:-

- Friendly well behaved children who enjoy learning.
- Hardworking, friendly and dedicated staff committed to achieving high standards.
- Opportunities for your own continuous professional development.

12.5 hours

Our day centres are a lifeline for many of the elderly community in Milton Keynes. As part of this vital service, you won't just be the one who drives our clients to the centre - you'll be much more. You'll be their personal assistant, making sure they are safe at all times and helping them with challenges such as mobility or using the toilet. And you'll take part in daily activities at the centre so you can get to know each person better.

This role calls for a special kind of person. As well as a D1 category on your clean licence, the know-how to operate a tail lift and an understanding of mental health issues, you need the motivation to really brighten our clients' days. We want you to be part of the friendly team here, so great communication and team-working skills are also a must.

We'll need you to work from Monday to Friday 8:30am-11:00am.

This post is subject to safer recruitment practices.

Interview Date: 7 May 2014.

Head of Communications

£52,015 - £56,055 Ref: 50017015
Maternity cover until end June 2015

At Milton Keynes, we're supporting the growth of our vibrant city while continuing to deliver excellent services. With so many significant projects happening, this is a great time to join us and take the lead in delivering the Council's communications strategy.

A challenging role in a complex organisation, it will connect you with Council and business partners across Milton Keynes. And get you involved in media relations, social media, branding, community engagement…and more. Plus, you'll be a mentor and leader for a multi-disciplinary team.

You need impressive leadership experience in a relevant role, where you've delivered successful communications approaches for a large organisation. Naturally, a high degree of integrity and political sensitivity is a must, as is the ability to build effective relationships and achieve cooperation from others.

For informal enquiries please contact Kellie Evans on 01908 252413.

Closing date for post positions: 13th April 2014

THE COUNCIL OF THE BOROUGH OF MILTON KEYNES
(RUSSELL STREET AT ITS JUNCTION WITH WEATHERCOCK LANE, WOBURN SANDS)
(TEMPORARY CLOSURE) ORDER 2014

NOTICE IS HEREBY GIVEN that the Council of the Borough of Milton Keynes has on 26 March 2014 made an Order under Section 14(1) of the Road Traffic Regulation Act 1984. The effect of this is to temporarily prohibit vehicles from entering, waiting in or proceeding along that length of Russell Street, Woburn Sands at its junction with Weathercock Lane for a distance of 20 metres in a south-westerly direction, whilst works are carried out to replace a water fitting. It is anticipated that the temporary closure will be in effect from Monday 31 March 2014 until Wednesday 2 April 2014 for 24 hours each day. The road will be reopened sooner if works are completed and it is safe to do so.

Whilst the temporary restrictions are in effect the alternative route will be via Weathercock Lane, Aspley Hill, the A5130 High Street and the A5130 Station Road, and vice versa. Bedfordshire Council has given consent for the use of this diversion route.

There will be no exemptions from the provisions of the Order except for emergency services vehicles and military vehicles being driven on operational duties.

The closure and its alternative route will be clearly signed in accordance with Chapter 8 of the Traffic Signs Manual.

Residents of adjacent properties will be notified of the forthcoming closure prior to works taking place.

The Order will come into operation on 31 March 2014 and will continue in force for a maximum period of 18 months or until the said works have been completed, whichever is the sooner. If the works are not completed within the maximum period stated, a further order may be made.

Any person committing a breach of the Order will be liable upon prosecution to such fine as is prescribed by the Road Traffic Regulation Act 1984.

THE COUNCIL OF THE BOROUGH OF MILTON KEYNES
(BOUNDARY CRESCENT (PART), STONY STRATFORD) (TEMPORARY CLOSURE) ORDER 2014

NOTICE IS HEREBY GIVEN that the Council of the Borough of Milton Keynes has, on the 26th March 2014, made an Order under Section 14(1) of the Road Traffic Regulation Act 1984 because works are to be carried out, namely essential repair works to a leaking ferrule on part of the carriageway within Boundary Crescent, Stony Stratford. The effect of this will be to temporarily prohibit vehicular traffic from proceeding along that part of Boundary Crescent, Stony Stratford from a point in line with the south-eastern boundary line of numbers 9 and 11 Boundary Crescent to a point in line with the south-western boundary line of numbers 27 and 29 Boundary Crescent. It is anticipated that the closure will commence on Wednesday 2nd April 2014 until Friday 4th April 2014, inclusive. The road will open sooner if the works are complete and it is safe to do so.

The alternative route for traffic will be via Boundary Crescent and Woodside and vice versa. The provisions of the One Way Traffic Regulation Order which relates to Boundary Crescent will be temporarily suspended whilst this temporary closure is in operation.

Signs relating to the closure will be placed on the length of carriageway that is to be temporarily closed a few days before the works are due to take place.

There shall be no exemptions from the provisions of the Order except for emergency services vehicles and military vehicles on operational duties.

The Order will come into operation on 2nd April 2014 and will continue in force for a maximum period of 18 months or until the said works have been completed, whichever is the earlier. If the works are not completed within the period stated, a further Order may be made.

Any person committing a breach of the Order will be liable upon prosecution to such fine as prescribed by the Road Traffic Regulation Act 1984.

THE COUNCIL OF THE BOROUGH OF MILTON KEYNES

(ALL GRID ROADS AND ADJOINING SIDE ROADS, ALL RURAL AND PRIMARY ROADS WITHIN AND LEADING INTO MILTON KEYNES) (TEMPORARY RESTRICTIONS) ORDER 2014

NOTICE IS HEREBY GIVEN that the Council of the Borough of Milton Keynes intends, in not less than seven days from the date of this notice, to make an Order under Section 14(1) of the Road Traffic Regulation Act 1984. Its effect will be to temporarily prohibit vehicular access on the grid roads and all adjoining side roads and on all rural roads and primary roads within and leading into Milton Keynes stated in the Schedule below.

The Council is satisfied that the temporary closures are necessary to enable essential maintenance and repair works to be carried out, including street lighting works on the highway. It is anticipated that the temporary road closures will come into effect, from the 8th April 2014 until 7th October 2015, inclusive and will take effect on specific roads at specific times during the above period only when maintenance or repair works are required and only when indicated by the appropriate traffic signs, which will be erected in advance of any road closure.

There shall be no exemptions from the provisions of this Order except for emergency service vehicles and military vehicles on operational duties.

The proposed Order will come into operation on Tuesday the 8th April 2014 and will continue in force for a maximum period of 18 months or until the said works have been completed, which ever is the sooner. If the works are not completed within the maximum period stated, a further Order may be made with the consent of the Secretary of State.

Any person committing a breach of this Order will be liable upon prosecution to such fine as is prescribed by the Road Traffic Regulation Act 1984.

Company or lease car returns...

Refurbishing your fleet vehicles can save you big time. The cost of repairs from D & A Auto Group is a fraction of what you could very well end up paying in penalties for returning damaged vehicles to your leasing agent / fleet provider.
Our approach to fleet repair work is simple - restore vehicles to meet the guidelines laid out in your Fleet Wear and Tear documentation so you avoid penalty fees.

RUGBY UNION

Alchester win against locals

ALCHESTER continued their good record against local sides when they defeated Milton Keynes 31-12 in the Southern Counties North on Saturday, having beaten Bletchley last week.

The Oxfordshire club were able to dominate the rucking and mauling throughout the game and from this platform they quickly took control of the contest against Milton Keynes.

Within minutes of the start of the game Alchester scored a try with the home side seemingly still in the changing room.

Dan Pearson, back at scrum half, soon retaliated with a darting run through the centre of the Alchester defence to even the score at 5-5.

City lived on scraps for most of the match, unable to wrest control from Alchester's pack, and it was only a matter of time before their second try arrived.

Dan Rolfe had collected the ball under pressure from the back of a scrum for MK, but his attempt to pass the ball out was intercepted with an easy try for the Alchester scrum half.

With less than a minute gone in the second half Rolfe powered his way over the line to make the score look more respectable, but this only galvanised Alchester who resumed domination for the remainder of the game.

It was well into injury time when they added their final score with a good try from their strong scrum, managing to force their way over the City try line and make the full time score 31-12.

Despite the loss City remain in fourth place in the league, but their fixtures will not get any easier as they take on league leaders Aylesbury on Saturday.

Elsewhere, Bletchley are still in with a great chance of winning the title after a 10-7 win over Royal Wootton Bassett.

They remain two points behind table-toppers Aylesbury, who defeated Stow-on-the-Wold at the weekend 23-9, but have two games in hand as they look to bounce back from relegation last season at the first time of asking.

Bletchley continue their title quest by hostng Stow-on-the-Wold themselves on Saturday.

Meanwhile Olney picked up a 15-5 victory at home to Dunstablians in Midlands Two East (South).

The success keeps them fifth in the table on 52 points ahead of their next league fixture against Leicester Forest a week on Saturday.

GARY WADDOCK writes for a final time for MK News following his move to Oxford United

I HAD my first game as Oxford United manager on Monday night and it wasn't the most ideal start with us losing to Southend United 3-0.

I had just met the players on Sunday so I was relying heavily on the staff here and it was a very disappointing result.

I'd like to thank MK Dons and the chairman and Karl Robinson for bringing me to the club, and I can't thank the staff, players and fans enough.

They're working hard to get into the Championship and Dons have got a fantastic opportunity after the 3-2 success over Stevenage at the weekend.

I looked out for the MK Dons result on Saturday but I was pretty busy myself because as soon as we sorted everything out on Friday it was straight into it for us.

We got things sorted very quickly on Friday and when it was done and dusted it was straight into it for me.

We're currently sixth in League Two and obviously we want to try and challenge for promotion, whether that's automatic or through the play-offs.

We're coming up against teams around us in the league so it's up to us now to push the club on and try to get promoted.

I'd be delighted and disappointed if we ended up getting promoted and Dons didn't, which would mean that Oxford and Dons would be playing each other.

I'd obviously be delighted for Oxford but disappointed that Dons didn't go up, but who knows what's going to happen for the remainder of the season.

I wasn't at Dons for very long but my whole experience of what the club is trying to achieve and the philosophy is great and it's been very enjoyable.

MK play-off preparation not ideal following double defeat

ICE HOCKEY

MK LIGHTNING'S preparation for the weekend's English Premier League play-offs couldn't have been much worse as they lost both of their final two games of the regular season.

Fourth-placed Lightning will take on fifth-placed Swindon Wildcats in the last eight of the end of season competition with the away leg on Saturday followed by the home leg at the Coventry Skydome on Sunday.

They will need to lift their game considerably if they are to defeat the in-form Swindon, who beat Telford Tigers in the race for fifth spot in the table – MK having secured fourth place already.

Whoever progresses will qualify for play-off finals weekend in Coventry on April 5/6, but Nick Poole's Lightning ended their league campaign by losing to Bracknell Bees 4-3 in overtime in Coventry on Saturday, followed by a 4-1 defeat at league runners-up and EPL Cup winners Basingstoke Bison the following day.

Forward Grant McPherson said the main thing to come out of the weekend was that no players were injured or picked up suspensions, and his eyes are now firmly fixed on getting through their quarter-final.

"Swindon have won six in a row and they have one of the best goalies in the league and a couple of really dangerous forwards, but I believe in the team we've got and as long as everyone turns up we can win it – we're all really excited to play," said the Scot. "It was a weird situation this weekend with us being guaranteed fourth. The main thing was that we didn't pick up any injuries or suspensions.

"Obviously we didn't go out to lose the games, but it wasn't the most important weekend we've had."

After a fine start on Saturday which saw Lightning score after 1min, 58secs, the side couldn't find any intensity to put the game to bed – even though Bees never led until they grabbed the extra period winner.

It was much the same the next day with Lightning struggling to match their Bison opponents who had beaten them in the English Premier League Cup final a couple of weeks earlier.

Lightning conceded a goal in each of the first two sessions plus a third in the final period before breaking their duck. But Bison finished off with a late fourth strike.

McPherson returned to the team against Bracknell but captain Adam Carr remained sidelined with a groin strain. And the Scot made an immediate impact as he took Stan Lascek's pass to score at the second attempt after former MK goalie Alex Mettam blocked.

Three minutes, 34secs of the middle period had gone when Bracknell's Sam Oakford sent Rob Lamey away up the left and his powerblast from distance beat MK netminder Stephen Wall for the equaliser.

At this stage Lightning were struggling to get their game going but they finally did so when McPherson and then Lascek went close before Ross Bowers supplied Tom Carlon to find a gap beyond the Bees keeper at 33mins, 32secs to make it 2-1.

Bees levelled in the final period. Pavel Strycek scored at 42mins, 20secs with Wall unable to see the puck until the last moment – seconds after Lamey had been blocked by the netminder.

Lightning were then given a five on three advantage when Oakford and Jan Bendik were both sin binned. They were able to take advantage with Janne Jokila making the pass for Blaz Emersic to shoot from the blue line on 48mins, 48secs.

But Bees struck back quickly as Oakford found Lamey unmarked at the left post on 51mins, 18secs to bring the tallies to 3-3.

Lightning failed to find an answer so the game went into overtime, which ended with Lukas Smital's shot beating Wall at 61mins, 51secs.

At Basingstoke, Tomas Karpov set up Andrew Melachrino to register the first goal for the Hampshire side. After being outshot 12-6 in the first session, Poole's charges went further behind at 24mins, 22secs as Ciaran Long scored for 2-0.

An interference call on Carl Graham went unpunished by Lightning before the visitors were hit with a third Bison goal when Joe Rand defeated Wall at 34mins, 56secs. Lightning battled on in the third and got on the scoresheet at 44mins, 51secs with a Carlon goal assisted by Lascek and Michael Farn. It was a brief respite with Bison netting their fourth – Long bagging his second of the evening from Miroslav Vantroba.

Four home games without a Dons goal

FROM BACK PAGE

right. He proved against Swindon Town a few weeks ago how lethal he could be with his left foot, and this time his shot from the edge of the box proved powerful enough that Stuart Nelson couldn't gather up the effort, but the keeper was able to collect at the second attempt with Izale McLeod ready to capitalise.

In the fourth minute Gillingham were awarded a free kick, and in a move straight from the training ground, which involved a pass to a player out wide, Steven Gregory struck his low shot wide.

The pacy Cody McDonald showed early signs that he could be a pain in Dons' side, getting the better of Antony Kay during one early run, before being judged offside when he would have been clean through on goal in the 10th minute.

Dons were camped in the Gillingham half though, and Alan Smith headed over the bar from a Ben Reeves corner in the 12th minute.

Gillingham were looking vulnerable out wide, with Sanmi Odelusi gaining plenty of joy down the left, and another marauding run from Baldock down the right drew a free kick in a dangerous position in the 20th minute. The set piece was cleared, but Reeves was able to cross the ball back in for McLeod, who chested the ball down impressively, and volleyed the ball over the bar.

A particularly intense period of pressure came around the 25th minute. Dean Lewington showed on Saturday at Stevenage how dangerous he could be at corners, and a near post header was blocked by Gillingham, before Leon Legge was forced to head a Reeves free kick away from his own goal-line a minute afterwards.

Odelusi almost had McLeod through on goal but the striker was tackled in the 27th minute, leaving Dons having to bide their time to find the opener.

Odelusi was again at it in the 31st minute, continuing an impressive run into the box, but his cross was cleared, while McLeod's shot was blocked as Dons battered the visitors.

The latter stages of the first half were dire though as the home side dominated possession,

Holding off: Izale McLeod withstands pressure

but failed to create any clear-cut chances as the Gills' defence stood firm.

McDonald nearly gave Gillingham a shock lead within seconds of the restart when he pinched Smith's pocket, and rifled a shot at David Martin which the keeper spilled, but Dons were able to clear easily enough.

But in the 49th minute, proceedings took a turn for the much worse for Dons when Gillingham took a 1-0 lead. Myles Weston got past two men easily enough on a good run down the left, and Martin made a brilliant, low, diving save to keep the effort out. But the ball was backheeled into open play and the free Fagan smashed the ball past Martin to put the visitors ahead.

A mistake by Jordan Spence a minute later almost gave McDonald a one-on-one, but Martin showed superb alertness to race out of his net and clear.

Robinson introduced Dean Bowditch and Daniel Powell in the 53rd minute to inject some life into Dons, and they forced Legge into heading over his own bar when Lewington provided the dangerous cross in the 59th minute.

But Dons were lacking any real creativity or spark, and they were not asking enough questions of a Gillingham side that looked pretty comfortable.

Chances such as Reeves' tame shot straight at Nelson proved how easy Gillingham were finding it to repel Dons.

The visitors had plenty of men behind the ball, and it was becoming a game of attack versus defence as Dons tried with no success to break their home duck of not scoring since the Oldham game in February.

A couple of corners failed to beat the first man in the 70th minute as Dons' fruitless attempts to get on the scoresheet continued.

Powell darted this way and that to get the better of his man in the 74th minute, but his cross into the box was woeful at best.

It would be another late, late show if Dons were going to get anything out of the game, but they looked like they wouldn't score a goal if another 90 minutes came and went.

Smith managed to get a shot away despite being surrounded by a sea of Gillingham defenders in the 75th minute, but it was a straightforward catch for Nelson as Dons' struggles continued.

James Loveridge came close to meeting Lewington's cross a few minutes later, but Nelson expertly punched clear.

Bowditch had a lovely effort with eight minutes remaining, but Legge once again headed away to frustrate the home side.

With Preston beating Peterborough, even a draw would have been enough to close the gap between Dons and the play-offs, but it was looking like another one of those days.

Bowditch couldn't get enough on a Dele Alli ball over the top in the 86th minute, while Smith couldn't reach another cross from the 17-year-old as the game meandered away from Dons, and it was an opportunity missed.

Hull signs as female professional at Woburn

HOT prospect Charley Hull will become the first woman to officially represent Woburn Golf Club as a tournament professional after signing on the dotted line to represent the course.

Hot on the heels of her first Ladies European Tour (LET) win last Sunday, Hull visited Woburn on her 18th birthday, joining golf icon Ian Poulter as a tournament pro at the club after putting pen to paper on the agreement on Wednesday.

Hull's European Tour title was at the Lalla Meryem Cup in Morocco, where she sealed glory by beating Gwladys Nocera of France in a play-off following a spectacular final round of 62.

She will now wear the Woburn Golf Club logo on her left sleeve and enter tournaments under the Woburn Golf Club banner.

"I have been playing at Woburn Golf Club since I was a young girl and it is a real honour to be signed as a tournament professional," said Hull. "It has been a fantastic week – I won my first tournament title, turned 18 and became Woburn Golf Club's female tournament professional."

Hull first joined the club at the age of 11 and frequently represented the Woburn Ladies teams, partnering fellow member Lauren Taylor in the scratch league matches.

The duo were also partners when they represented Europe in the 2010 Junior Solheim Cup.

As an amateur Hull enjoyed a successful career, which included representing England in the Home Internationals and Great Britain & Ireland in the victorious 2012 Curtis Cup.

Having turned professional at the end of 2012, Hull had a fantastic first season, which saw her represent Europe as the youngest ever player in the Solheim Cup, defeating the USA's Paula Creamer by five and four in the singles which helped the continent to victory.

The year culminated with her winning Rookie of the Year and also a sixth placed finish in the LET Order of Merit.

Following her victory in Morocco, Hull is currently leading the Order of Merit this time around.

The President of Woburn Golf Club, The Duke of Bedford, said: "I am delighted that Charley will be joining Ian Poulter and representing Woburn Golf Club as a tournament professional."

Poulter, who is famed for his Ryder Cup performances, was also happy to hear the news.

He said: "I am delighted to hear that Charley Hull has joined me as a touring player representative of Woburn.

"Her performance at The Solheim Cup last year was awesome and to win on the Ladies European Golf Tour is a great start to the year.

"I am sure Charley will become a multiple winner on both tours over the next few years."

Chance goes begging as Fagan picks Dons' pocket

LEAGUE ONE

MK DONS	0
GILLINGHAM	1

BY SCOTT KIRK
scott.kirk@mk-news.co.uk

DONS wasted a golden opportunity to draw level on points with play-off rivals Peterborough United last night as they slumped to a hugely frustrating defeat against Gillingham.

Posh were also beaten yesterday – 3-1 at Preston North End – but Dons were unable to uphold their side of the bargin and remain three points behind their rivals who occupy the last play-off spot having played a game less.

It means the gap has not widened but there are now fewer games left to make up the deficit, and mid-table Gillingham at home looked like an ideal game to pounce with trickier tests looming on the horizon – starting with the visit of high flyers Wolves on Saturday.

Craig Fagan netted for Gills in the second half as Dons failed to convert territory and possession into goals.

"They've had one shot on target and beat us 1-0," said Dons boss Karl Robinson. "We can't score, it's obvious. It's as basic as that.

"MK Dons were by far the better team, we played relatively well, dominated in all areas but we were not good enough in the final third."

The stadiummk outfit hadn't scored at home in their three previous games, and that unwanted record stretched into a fourth game as Dons toiled to another miserable home, midweek loss after the stunning 3-2 comeback win at Stevenage on Saturday.

"We've not scored at home since Oldham [on February 15] and it's as simple as that," added Robinson. "We were constantly dominant but we can't score.

"I said at half time it was eight out of ten for the back third, eight out of ten for the middle third and four out of ten for the final third."

Dons registered the first chance of the game in the third minute when George Baldock cut in from the

Waddock leaves for Oxford United as Flanagan and Odelusi sign on

MK DONS head of coaching Gary Waddock has taken over the managerial reins at Oxford United.

The 52-year-old signed on as Dons manager Karl Robinson's right hand man at the start of the season but the former Wycombe Wanderers boss is now back in a number one role at the League Two promotion challengers.

It is understood that Dons have allowed Waddock to leave without collecting compensation.

Waddock said: "The opportunity to get back into management, especially at a big club like Oxford United, was too good to turn down and although I'm disappointed to be leaving the Dons, I'm excited by the new challenge."

Waddock's first game in charge took place on Monday night, where his new side lost 3-0 at fellow play-off contenders Southend United.

Meanwhile, winger Sanmi Odelusi has extended his loan spell from Bolton until the end of the season.

Odelusi joined Dons on a one month loan in February and impressed on his debut at Bradford City.

The 20-year-old has made six appearances for Dons so far and has started the last four games.

Centre back Tom Flanagan, 22, has also signed a one-year contract that will keep him at the club until the end of next season.

Robinson said: "Sanmi is a testament to any young player because of his exceptional work ethic and his desire to want to play football.

"He's made an impact both on and off the pitch since he's arrived and we're delighted to be able to keep him until the end of the season.

"Importantly, he wanted to stay too.

"Tom is a great lad and he works tremendously hard on the training ground – next season is an opportunity for him to get into the team.

"It's a make or break season for him."

We built the Camera Towers for the Royal Wedding….but it doesn't mean we are expensive

4 reasons why you can rely on **MK Scaffolding Specialists**

- We offer 24 hour support
- We are extremely safe and professional
- We are competitively priced
- We are experts in what we do

www.mkscaffolding.com

The staff erecting the structures where polite and courteous, the price was extremely competitive. I'd certainly recommend Milton Keynes Scaffolding Services to anybody in the need of scaffolding because I know who I'd choose time after time"
Andy Coleman, Great Linford

Very impressed. The team were punctual, polite and extremely hard working. I would not hesitate to recommend them for any type of job. Brilliant!
Howard Clark, Newport Pagnell

Thank you MK Scaffolding for the outstanding work carried out at my grade II listed property recently. Building works are stressful at the best of times but the quality of the scaffolding you provided at my property helped to set the works up for a successful completion. In fact, my roofer said it was the safest and most professional scaffolding he had ever worked on in his 30 years as a roofer. Needless to say the works were completed on time and on budget.
Kirsty Askwith, Willen

Access to my property was quite restricted as I live in a small village but that didn't seem to be a problem to the guys that came to erect my scaffold. They assessed the situation very quickly and when I came out with the hot drinks they'd almost finished! Overall I was extremely happy with the service I received. So much so that Milton Keynes Scaffolding Specialists are now the chosen scaffolding company of the energy company I work for and we have built a great working relationship. 10/10.

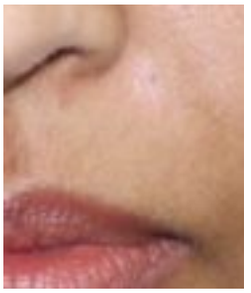
Cosmetic treatments that make all the difference

BEFORE

AFTER



Minor Surgical Procedures

Removal of Moles / Skin Tags / Skin Lesion / Cysts More and more people have moles, tags and cysts that they want removed that are not covered by the NHS anymore. Following a free consultation, LasaDerm clients will have the mole medically checked, removed under local anaesthetic by qualified doctors trained in surgical procedures in a purpose built medical suite. This service is available to you for as little as £99 (up to 10 skin tags) and £295 for mole removal which includes full follow up care. Package prices for moles available

Medical/Microdermabrasion/ Hydrodermabrasion

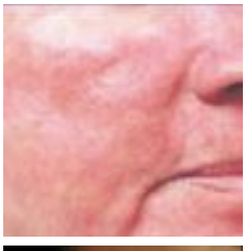
Medical grade microdermabrasion and Hydrodermabrasion removes most skin imperfections because it encourages the production of new and healthy skin cells. It smoothes the skin and, in the process, removes small scars. The results are longer lasting as we use medical grade products that really put the vaa vaa voom back into tired, dull, spotty, stressed and lifeless skin.

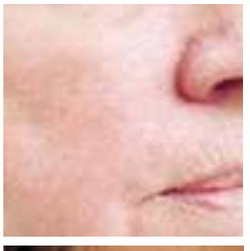
Acne/Acne Scarring

LasaDerm specialise in acne treatments utilising a tailored made regime that is individual to you. Treatments include Skin Peels, Intense Pulsed Light (IPL), Medical Microdermabrasion or Hydrodermabrasion, Dermaroller and the use of medical grade cosmeceutical products to eradicate the acne and acne scarring.

Thread Veins

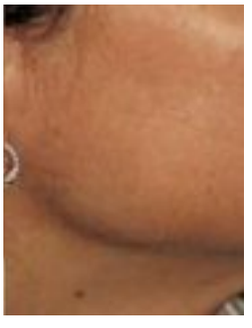
Both leg and Facial thread veins can be treated via IPL (intense pulse light) or NdYAG laser. Leg thread veins may also be treated via an injection process called Sclerotherapy. Sclerotherapy requires the wearing of compression stockings for a short period after.
LasaDerm are a specialist clinic when it comes to thread veins. Due to the advanced medical expertise of our doctors we have a very high success rate in the removal of thread veins. At your free consultation the doctor will assess the best treatment tailored to your individual needs, including advice and regular reviews, following your procedure.





Rosacea

Performed via IPL which shrinks the blood vessels in the face and reduce the flushing dreaded by Rosacea sufferers. The doctors at LasaDerm will also treat any associated facial thread veins with NdYag Laser at no extra cost



Pigmentation

Also treated via IPL using filters with a different wavelength. More often this is combined with Medical Microdermabrasion/Hydrodermabrasion to enhance the results

Prior to starting treatment for either of the above, LasaDerm doctors use the Beau-Visage 3D photographic imaging system which allows them to identify the exact depth, character and position of the blood vessels, melanin and pigment allowing for a precise and individual treatment program that few other clinics can match.
